<sup>1</sup>Variable Rate Information: The rate for Purchases, Balance Transfers and Cash Advances is determined by adding a margin of 6.65%-14.65% to Prime Rate. Your APR may vary. Variable Rate Feature: The Visa Credit Cards have a variable rate feature meaning that the Annual Percentage Rate (corresponding to the periodic rate) and the term of your Visa loan may change due to interest rate fluctuations. The Annual Percentage Rate (APR) includes only interest and no other costs.

**How we will calculate Your Balance:** We will use a method called "average daily balance" (including new purchases). See your account agreement for more details.

<sup>2</sup>**Loss of Introductory APR:** We will end your introductory APR and apply the Penalty Rate if you make a Late Payment.

**Billing Rights:** Information on your rights to dispute transactions and how to exercise those rights is provided in your account agreement.

**Note: The credit union will acquire a security interest in the property purchased with your credit card; and collateral securing other loans with us may also secure this account. Also, you are giving us a security interest in your shares and other deposits in the credit union.**

The information about the costs of the card is accurate as of 2/1/2023.

<sup>3</sup>Creditworthiness is based on many factors including but not limited to: credit history and ability to repay.

<sup>2</sup>Spero Financial Federal Credit Union will adjust the interest rate on your account whenever your account is 60 days past due. We will change your interest rate to a fixed rate of 18.00% Annual Percentage Rate (APR), which is a monthly periodic rate or 1.50% on the first day of the billing cycle following the cycle that was 60 days past due plus the required notification period. After six (6) consecutive billing cycles of your account being paid pursuant to the terms of your agreements with the Credit Union, we will change the interest rate to the rate that is then applicable to your account, which will become effective on the first day of the billing cycle following the sixth consecutive billing cycle.
